

# Teachers get trained in Competency Based Education

2021-04-25 16:35:03

The competency based education is witnessing popularity in the educational institutions of late. So, the teachers in Blossoms enrolled and successfully completed various training programs to enhance their skills in this area. Competency based education focusses on what the students learn rather than the time spent in covering the courses and completing the assignments. The education program is tailor made to develop the competencies of the students in the chosen career. For more details please refer to :
