The eye is the lamp of the body. So if the eyes are healthy, the whole body is full of light.' Blossoms has always given importance to the overall personality development of the students, be it the academic development, spiritual upliftment, career guidance or even the personal health and safety. The ongoing online classes have been designed in such a way that they have minimal negative impacts on the eyes and mind of the students while meeting the academic requirements. Still, there is enough opportunity for caring for the eyes. Renowned optometrist Dr Sina Motallebi, gave many tips and precautions for proper eye health care in the 2-days webinar on 'Eye Health Awareness' organized by Blossoms School for its students and their parents.
