"Gold medals aren't really made of gold. They're made of sweat, determination, and a hard-to-find alloy called guts." - Dan Gable Indian sports has reached new heights with the highest-ever medal tally of seven medals - one gold, two silver, and four bronze medals in the Tokyo Olympics. We, at Blossoms, consider each athlete and every player as a champion. Our students of Std 10 take this opportunity to congratulate the members of the Indian Contingent for their outstanding performances in the games and the inspiration they provide us all with their team work and dedication.
