Interact Club of Blossoms ties up with Rotary Club for the 'Seedball Plantation Program' "He who plants a tree, plants a hope. " Blossoms has always welcomed partnership in innovations towards protection of the environment and the plantation of trees. Be it the setting up of the Oxygen park in the premises, it's own mango garden or even the annual Vanmahotsav, Blossoms has always enterprised and taken a step ahead of others in working it out. The Rotary Club of Bhubaneswar in association with the Interact Club of Blossoms carried out the 'Seedball Plantation Program' on the 18th of August. Rtn.S.P Singhdeo and Rtn. Surendra Kumar Sahoo interacted with the senior students of Blossoms (Std 9 and 10) to give more knowledge on the program. The students also used the seedball plantation technology to plant the seeds in the school premises and the nearby localities. Blossoms is committed to have more such programs on planting trees for conserving and protecting the environment. "Let the new generation prosper. For More details :
